21:00 h	Dinner at Cullera Holiday Hotel and prize-giving.

The Drawing

All days there will be a drawing of all pegs in the venue. An angler doesn't repeat corner sector.

Rules for Match

- Only allowed to fish with one rod at any time. The length of the rods is limited to 4,50 meters (15 feet) maximum.
- It is forbidden manual groundbait or use shooter, rocket, etc.
- Feeders must freely slide on the line or on the belaying-pin rack fixed on the line. It is forbidden to put any stop or slower (e.g. silicon) between the feeder

and the reel.

- Concerning the end of the line, the minimum distance between the hook and the feeder (hook-length) is 50 cm. Such distance shall be measured between the lower edge of the feeder and the hook.
- The maximum feeder size is 5 cm diameter and 7 cm length.
- The "feeder method" angling technique is forbidden.
- Only single hooks are allowed and the maximal span between the tip and the shank must be 7 mm (n. 10).
- Baits used on the hook shall not be mixed on the point, they shall be put onto the hook; bread and paste (mixture of substances or

baits such as the pellet, boiles, balls of ground bait or pasted baits, etc.) are forbidden.

Other rules this match will follow the current rules FIPSED.

Daily score will be 1 point per gram. General score will come from the total of places get on each day of competition; in case of tie, the higher weight will decide the winner.
